Madas.

Sir,

I have the honour to state as follows :-

The rules issued in appendix No. 28 of the Madras Financial & Account Code Vol. II, regarding the concessions applicable to Government servants when bitten by rabid animals are not applicable to Local Board servants. They are not considered as "Government servants" within the definition of rule 1 of the appendix referred to above.

I have to bring to the kind notice of Government that when a subordinate of the District Board, whose pay was Rs 56/- was under antirabic treatment at the Government

Head quarters Hospital Mangalore, the cost of vaccine obtained for his treatment and that of his family (wife) viz., Rs 12-13- 0 was recovered from him, by the Superintendent, Wenlock Hospital, Mangalore. The subordinate who paid it requested the District Board that the special concessions granted to Government servants may also be made applicable to him and that the cost of vaccine recovered from him and credited to the Provincial funds may be paid to him, from the funds of the District Board. A copy of the resolution No. 71 dated 5-1-1935 of the District Board is -- enclosed.

I request that Government may kindly be pleased to grant the concessions applicable to Government servants to Local board subordinates and sanction the refund of the cost of vaccine recovered from the subordinate in question.

I have the honour to be,

Sir,

Your most obedient servant,

President.
